**LETTERS TO EDITOR****Jim**

Thank you for having the Golden Reunion. This is the 5th year I have attended this event and every year I find someone new that I knew in high school. I even found someone I knew from elementary school this year. She was from the year after mine, Please continue this event. It is one of the best things the Alumni Assoc. does.

*Thanks Jim— We started this reunion just for the reasons you stated. We hope*

Allison—(PSH Alumni Scholarship winner)  
 I am happy to say that I passed all my Civil engineering classes cont. pg 3

**President's Corner by Michael Jaszczak '80**

As a school year quickly comes to a close, we are about to add 300 new alumni into our ranks. As a teacher here at PSH, I cannot help but wonder if the students will cherish their experiences as much as so many of us. Times have changed and so have traditions. Over the years, our school has gone from predominately middle class to over 40% of our students living in poverty. While many things have changed, one thing has not. Our culturally diverse student population is still eager to learn. As a group, they show great kindness and compassion in an increasingly challenging and difficult world. When most of us were in school, we may have had to worry about a fight breaking out once in a while. We never had the pressure of worrying about a gunman getting access to the school and killing our friends, family and our teachers. So once again, I wonder if the normal school experiences they share in their time here give them something to cherish. I can only hope so.

**From The Editor's Desk by Anthony DeMarco '62****ON A HAPPY NOTE FOR SPRING**

The PSH Alumni Assoc. will be awarding 9 \$1000.00 scholarships and 2 \$1500.00 Scholarships to deserving Parma Sr. High School seniors this May. These scholarships were provided by the PSH Alumni Golf Outing Scholarship Fundraiser, the Golden Redmen Reunion for classmates who have celebrated their 50th Reunion, Class of 1962 55th Class Reunion, 3 individual donors who donated \$5000.00 in Scholarships, and a number of smaller individual donations toward these scholarships. These students were awarded these scholarships on the basis of their academic success, their community service, their extra curricular activities and their work ethic. Many of these students had part time jobs to help out their families and to pay for their needs. We had between 60 and 100 applications and the choice was very difficult to narrow down to 11 winners. Every year it is amazing to the judges how well these students perform under some trying circumstances. We wish we could do more. Maybe someone will win the lottery.

**"A Parents Fear Then and Now"**

In 1952, I was in the third grade in the Parma City Schools. The Korean War was going on, the cold war was just beginning and the U.S. and Russia had the Atom bomb. I had just received my school supplied dog tag and I was told by my teachers that I had to wear it every day to school. I went home that day, with a paper explaining what would happen, and to tell my parents we were going to have "duck and cover drill" the next week. As I remember the drill, we were to get under our desk and cover our head with our arms. — Cont. on pg 3

If we were in the halls, we were to crouch down next to the wall and cover our heads. The fears of that day slowly disappeared over the years until the next crises, the Cuban Missile Crises of October 1962. That crises ended when the Russian ships caring missiles turned back from Cuba. Many parents kept their children out of school during the last days of that crises. They even packed their cars with food, water, blankets, and other essentials for a fast exit to the farmland south of Cleveland.

Today with all the fears about their school aged children, they now have to worry about mass shootings in their schools. Something that we thought could never happen is now on every student, parents and grandparents mind.

Soon students will be participating in protocol lock down drills. Some school districts, across the country, may soon be looking at the A.L.I.C.E protocol program (which stands for Alert, Lockdown, Inform, Counter, Evacuate) as a way to deal with this problem.

We have always had bullies, disruptive students and other problems with students in our schools which need to be addressed, but this is something totally different. This is something that strikes fear in our students and parents like never before. A shooter in our schools.

Classes this first semester at Cleveland State University. I had a difficult schedule with Calculus and Chemistry. Thanks to PSH's Advanced placement classes and TRI C classes, I am now considered a Sophomore. (The credit hours I earned this semester and the 29 credit hours I started with from TRI C and Parma made a big difference.

I am still in the Operation stem program, which provides social and learning events throughout the semester. They also offer a small stipend with textbooks. CSU recently completed the Wahkewicz College of Engineering building and I am Looking forward to utilizing the new accommodations this Spring.

This past fall I joined Viking Expeditions, a student led service organizations that provide local and national volunteer opportunities. Over Spring Break I plan on volunteering in Detroit to build tiny houses for low-income residents with other CSU students.

I continue to volunteer for my church and community when I have time. Thank you to the PSH alumni Assoc. for your generous Scholarship.

*Alison P Thank you for this follow up report on your college experience to date. You are an outstanding example what the PSH Alumni Association looks for in their Scholarship recipients. We wish you well in all your future college experiences.*

I think the Golden Redman Reunion is a great concept and as word gets out from those who attend, attendance will continue to grow. Those in attendance always have a good time and they are getting to know people from graduating classes other than their own. I know it takes a great deal of time and effort to host this event, but when I see all the Redmen enjoy the day, it seems to be worth it all.

*Thank you and I agree*

**Phil '61** I love the Tradition Newsletter, I get such a great feeling when I read it. The articles about former grads is very interesting. I like to hear about current news and the scholarship winners in the Spring and Fall issues

*Thank you for your continued support of the Tradition. We have talked by phone and you are always so positive about the content of each edition.*

## SCHOOL NEWS

### New Superintend

On March 1, 2018, the Parma City School District Board of Education approved Resolution 2018-03-89, <sup>3</sup>Resolution to Appoint and Employ Superintendent of Schools.<sup>2</sup> The Board of Education approved the appointment of Dr. Charles Smialek as superintendent, beginning on August 1, 2018. Dr. Smialek currently serves as the Superintendent of the Euclid City School District in Euclid, Ohio. The Euclid Schools serves approximately 5,300 students in seven buildings. Dr. Smialek is also a proud graduate of the Euclid City Schools.

Dr. Smialek earned his bachelor's degree in history from Ohio State University in 1998. He then earned his master's degree in teaching from Kent State University in 1999, focusing on secondary social studies. In 2008, he earned his doctorate in Educational Leadership from Kent State University. Dr. Smialek was named assistant superintendent of the Euclid Schools beginning in 2015. In July 2016, he was named Superintendent.

Also at the March 1 regular meeting, retiring Superintendent Carl Hilling was praised for doing an outstanding job given the tough circumstances the district has been in. He was thanked and recognized for his dedicated service to the Parma Schools.

### Spring Sports News

Athletic Director Ryan Madison.

The winter sports season was highlighted by the Redmen Wrestling team who won the Great Lakes Conference Championship for the 2nd consecutive season and won their 6th conference championship out of the past 7 years. Coach Chris Finowski was named GLC Coach of the Year. The Redmen had 8 Sectional Tournament placers and qualified 7 wrestlers to the District Tournament. Redmen Girls Basketball player Lindsay Humbel received a scholarship to play at West Liberty University. Humbel set 9 school records during her 4 year career at PSH. She is ranked #1 in her graduating class at PSH and is a fine example of a Redmen student-athlete. The Redmen boys basketball team finished with 9 wins led by the freshmen dynamic duo of Makail Cottingham and Allan Eason. Cottingham and Humbel (for the girls) were both selected All-District Honorable Mention.

### Feature Article HR Hospitality Restaurants of Cleveland

Two 1973 graduates of Parma Sr. High, Kay Ameen and George Schindler are the owners of Hospitality Restaurants Cleveland. It is one of the finest group of restaurants in Northeast Ohio, and for that matter in the State of Ohio. Best of friends since high school, they started with the Cabin Club Steakhouse in Westlake and then opened Salmon Dave's Pacific Grille in Rocky River. Blue Point Grille on West 6th Street in Downtown Cleveland's Warehouse District came next and has been noted by food magazines as the best seafood restaurant in Cleveland. Then came Delmonico's Steakhouse in Independence, Thirsty Parrot in Cleveland, 3 Rosewood Grills in Hudson, Strongsville and Westlake, and their latest, Kingfish Seafood in Copley Ohio. Hospitality Restaurants have been strong supporters of the communities they serve and Kay and George have been supporters of the PSH Alumni for many years. The Rosewood Grill of Strongsville was part of the Parma Schools Taste of the Town which was a fundraiser for students of the Parma System. *This is another in the series of feature articles highlighting the accomplishments of PSH Alumni over the years.*

Here are 4 photos of two PSH Alumni events. The first 3 photos are of this year's 2018 FL Reunion. Close to 60 guests from all over FL attended. Bruno Tommasini addresses the FL Reunion. The bottom one is a photo of last year's 2017 Golden Reunion.
