LETTERS TO EDITOR

Robert Mengerink 1968
 Thanks to all of you for selecting me to be inducted into the PSH Hall of Fame. I was so excited about this event. It is a real honor to be selected, Thanks for all that the Alumni Association does. Thanks for all you are doing for all Alumni.

Thank you Robert. We are proud of all our graduates. Letting all alumni know what a few of our graduates have accomplished in their lives shines a light on the quality of the education we received at the Queen of High schools. With our newsletter we try to highlight accomplishments of many of our grads. We will continue to print those stories as well.

Hall of Fame and Reunions

As I write this letter, Thanksgiving was one week ago and at PSH we are only weeks away from the end of the first semester before break starts. So many activities have taken place since my last message. The alumni once again participated in Homecoming events. We have been looking for more ways to improve alumni participation in Homecoming. We once again had an incredible Hall of Fame induction. Once again, at the morning ceremony, our Redmen students proved themselves. They paid close attention during the entire ceremony. They listened to the wonderful introductions written by Gil Fritzsche. They paid careful attention to each inductee as they had their time speak. Cont on pg 6

From The Editor's Desk by Anthony DeMarco '62 "Happy Holidays"

Reminiscing about the Holiday Season and Winters at PSH Past

I sometimes think that some of today's students are missing some wonderful things that we used to do with the end of Fall and the approach of Winter. Going through the archives in the Archive Room and up in the third floor storage room, provides old photos of past memories. The Fall hayrides, the bonfires before Homecoming, the ice skating at Ridgewood lake or the lake at State Road park. Sled riding down the great hill at State Road Park and then enjoying thermoses of hot chocolate to warm you up. School decorations on the windows, caroling in the halls, and the Christmas concerts. Some great memories.

Holiday wishes

On behalf of myself, the entire Tradition Staff and the PSH Alumni Assoc. Board, we wish you and yours the happiest and joyous of Seasons. Each year we are so thankful for your support and kind wishes for our continued success. We will try to continue to provide you with PSH current events, class information, and PSH Alumni news. We will also try to remind you of some of the great past memories of your high school years.

On another Important Note

After months of meetings with the State, community leaders, staff, and parents, the decisions on what the Parma City Schools will look like in the future will soon be presented. I have been trying to get an answer to my question—where does Parma Sr. High fit in all of this? Will there be one High School, two or three? Will all three high schools be torn down and 1,2, or 3 be rebuilt? We will soon find out. When we do, you will too.

IN MEMORIAM

Our Sympathy goes out to all family and friends who have lost a loved one. Every effort is made to verify notifications of a deceased Alumni member. We ask that you provide some form of verification from a newspaper or other source. Send : Webmaster at pshalumi@gmail.com or the PSH Alumni office 6285 W. 54th St. Parma 44129 Attn A DeMarco

PARMA SCHOOLS POSSIBLE CONSOLIDATION PLANS

BY CHARLES SMIALEK SUPERINTENDENT PARMA CITY SCHOOLS

This fall residents will provide their reactions to specifications for the Parma city Schools Campuses of the future. GPD Group and Parma schools' leaders analyzed survey data and feedback from the spring's meetings to determine the options most likely to gain consensus support. These are the options: Elementary Schools (Pre-K through 5th Grade)

Option A: Six schools

Option B: Seven schools

Option C: Eight schools

Secondary Schools (6th through 12th grade)

Option A: One high school (9-12), two middle schools (6-8)

Option B: Three secondary campuses, each with one 6-8 schools and one 9-12 school

Option C: Two secondary campuses, each with one 6-8 school and one 9-12 school and a separate campus for Career Technical Education and other district functions.

Community members will now be able to share their perspectives about the best possible models of the locations for schools.

Board President John Schweitzer explained, "The idea all along has been to consolidate the number of campuses that we operate. In each of the secondary models that we are weighing, we will be able to reduce the number of campuses we operate from six to three. On the other hand, we know from our surveys and meetings that neighborhood elementary schools are very popular. We have to determine the most appropriate number of these. We will use this fall to gain more information about what people think we should do."

The Board of Education also heard from Squire, Patton, and Boggs attorney Richard Manoloff. Mr. Manoloff explained the Expedited Local Partnership Program (ELPP), which the district will most likely use for funding construction if it passes a bond issue in 2020.

More information can be found on the district's website, www.parmacityschools.org/superintendent.

The PSH Alumni Assoc. urges all Alumni to express you feelings by email or attending the community meeting 12/14/19 10 pm to 11:30 at Parma Branch Library PowerasBlvd.

Cont pg 1 Pres Message

I guess it was easy to listen as their accomplishments are so great. I recently had the opportunity to attend the 1979 reunion (my wife's reunion). It was a fun and successful event. It was really special to see everyone reconnect. It was also interesting to see that even after 40 years, some people have not changed at all. While I was there, I could see just how much love and effort going into running a reunion. With that in mind, I want to go back to the beginning of this message. I want to tell all of you that I am thankful for everything that each of you do to promote Parma Senior High.

WHAT CAN YOU DO AS A PARMA SR. HIGH ALUMNI TO KEEP THE ALUMNI ASSO, ALIVE AND WELL?

By A DeMarco Editor

You may be saying here they go again asking for scholarships and donations. Well yes those are very important things to us, but here is a list of things that are just as important to your Alumni Assoc.

1. We want your information and every classmate and relative who graduated from PSH who we do not have current information on.
2. We want you to attend your Reunions and keep-connected with your class.
3. We want you to attend our activities like Home Coming, The annual Golf outing in June, and the Golden Redmen Reunion every year which is the 4th Saturday in August in the PSH Cafeteria, and the annual meeting the first week in August.
4. Finally we need you to let us know when one of your classmates passes or any PSH Alumni you may know passes away. By letting us know the loss of a fellow Alumni, we can let others know. That will make it possible for old friends and classmates to contact family and friends with condolences..

So, there is more to your Alumni Association than you might think. We will still appreciate contributing to the Scholarship Fund and donation for alumni projects.

Students , family and friends arriving for The PSH Hall of Fame Inductions. The Senior class, family and friends heard from the inductees why PSH had such a profound effect on their lives and the teachers and staff that made a difference.

Below are all current and former PSH Alumni HOF members attending the Induction dinner at St Micheals Woodside Party Center. We have 84 members of the PSH HOF. The first class was selected in 1981.
