Tradition

President's Corner by Michael Jaszczak '80**President's Message**

These are crazy times that we are living through. Who would of thought that a virus could keep so many of us from doing the things we normally do? School is about to start the way it ended, virtually. There won't be student activities this fall. I feel for the students who do not get to do what most of us had been able to do in school. Last year there wasn't a prom and commencements were for individual students and their family (no more than 10 people at a time in the auditorium) and were five minutes each. The new senior class won't have a homecoming dance, and we don't know how many other activities they will not have. The alumni association has also had to cancel events that we normally have. Classes have had to cancel or postpone their reunions. One thing that we are still able to do is giving out scholarships. Since we did not have a golf outing this year, we have lost our largest source of income for scholarships. I would encourage everyone to help us and give to the alumni association any amount that you can. Together we can make up that difference.

From The Editor's Desk by Anthony DeMarco '62**SO WHAT IS HAPPENING AT PSH ?**

- The Pandemic is 8 months old and has turned everyone's lives upside down
- We have been notified of only 1 PSH/Schaaf High grad who has died from Covid 19 at this time.
- We have been told that the Parma City Schools will open to in school classes and on line classes. In school Tuesday–Friday. The possibility of PSH closing in 2023 still is a hard pill to swallow. At this point, PSH will close it's doors as a functioning high school and become our wellness and educational campus, housing the board office and the opportunity center for students with autism. Community assets will be open to residents, which include the pool, gymnasiums, auditorium and Little Theater. It will house the PSH Hall of Fame and Archival Room Museum open to the public. No mater what happens, like so many Cleveland area high schools in the past, your PSH Alumni Association will continue until the class of 2021 celebrates it's 50th class reunion in 2071. Unfortunately, I will not be giving the tour of the building then. Please go to page 4 for artist renderings of the future PSH layout.

IN MEMORIAM

Our sympathy goes out to all family and friends who have lost a loved one. Every effort is made to verify notifications of a deceased Alumni member. We ask that you provide some form of verification from a newspaper or other source. Send : Webmaster at pshalumni@gmail.com or the PSH Alumni office 6285 W. 54th St. Parma 44129 Attn A DeMarco

Cont pg 1 LETTERS TO ED Richard P If PSH closes next year or the year after, will one of the two new schools to be built be re-named Parma High ? I ask this Question because I can not believe that in the Parma City School District in the city of Parma that one of the two High Schools would not be named PARMA HIGH SCHOOL! We have had a Parma High School in the City of Parma for 100 years.

Thank You for your letter. I can only say to you , write with your suggestions ,to the President of the Parma City School District John Schweitzer at 5311 Longwood Ave Parma, Oh 44134 or www.parmacityschools.org
