Thanks for still printing the PSH Alumni newsletter for us who don't have computers. The Tradition is very informative especially what is being done with the PSH building and the name of our sports teams. Keep up the good work.

Thank you Norma and I am glad you enjoy the Tradition.

President's Corner by Michael Jaszczak '80

**President's Message**

I struggled writing this article. I wasn't sure what kind of message makes much sense in this crazy time. Someone once said when you don't know what to say, stick to gratitude. I am grateful for my parents, who in 1967 moved from the east side to Parma. I am sure they didn't realize at the time what amazing opportunity they were providing for their children. That opportunity came in the form of Parma Senior High. I know I will never forget the teachers and the wonderful experiences at PSH. That is why I wanted to come back and teach there. I can tell you that the teachers, administrators and staff are still the greatest! During this pandemic they are all still going the extra mile to provide for the children in our school. I would like to wish all of you a happy and healthy holiday season .

The Editor's Desk by Anthony DeMarco '62 *** Happy Holidays

The Holiday season in a Pandemic. — Times are tough for so many people, So many PSH Alumni will be alone this Holiday Season. Is there a way to make this Holiday season a little easier for those in need of some kind words? Here is something every Alumni can do and it only requires a phone, or face time, or email and a little of your time . Communicate to a fellow Alumnus at PSH . It can be from your class or an old friend from another class. Wish them a happy Holiday. Then ask that classmate to do the same thing with one of their old classmates. Just someone to talk to. The feeling of being alone during this pandemic can be over whelming. A friendly voice from the past might just be what they need. Cont pg 6

From the Principal of PSH Bridget Zywiec The start of the 2020-21 school year can be explained in one word, rollercoaster. It has been an up and down of emotions for students and teachers. Cont pg 6

IN MEMORIAM

Our sympathy goes out to all family and friends who have lost a loved one. Every effort is made to verify notifications of a deceased Alumni member. We ask that you provide some form of verification from a newspaper or other source. Send : Webmaster at pshalumni@gmail.com or the PSH Alumni office 6285 W. 54th St. Parma 44129 Attn A DeMarco

Answer to a question from a teacher. In 1993 at Homecoming I remember a woman was presented a Homecoming crown she was supposed to get as Homecoming Queen in 1953, but she was stricken with polio. Do you know the full story about her?

Yes we wrote a full story about her in the second edition of the Tradition Newsletter in 1994. Here name was Carol Kneebush Vaccariello. She was presented her Homecoming Crown at Byers Field that night, 40 years after she was to receive it. Her good friend Clair Justice Eckles, stood in for her on the field that night. In 1953, a group of close friends went to her hospital bed at City Hospital Polio ward and Crowned her Homecoming Queen of the class of 1954. She never attended a day of her Sr. year at the brand new PSH High, or a game at the brand new Byers Field. Carol went on to graduate from BW and taught Speech therapy there. She married had 1 child and 2 grandchildren .

Cont pg1 Editors Desk Get out the last reunion booklet and find a number or email of a classmate you may have talked to at the last reunion. Doctors and psychologists have stated that depression caused by the pandemic can, in part, be directly attributed to a lack of contact with family and friends. Lets make a difference. Make The Call, Text or Email.

Cont. pg1 Principal - The twist and turns of this pandemic keeps everyone on their toes. The ever changing schedules and learning settings are very frustrating. The teachers have poured their hearts and souls into adjusting to entirely new way of teaching. We are putting a strong focus on student mental health and wellness. The isolation of online learning is

a struggle for our students. The Parma Sr High hope Squad acts as student ambassadors to help support moral and mental health. Students still have the opportunity to participate in athletics and extracurricular activities. Our fall athletic season has just come to a close and we are hopping to open our Winter season in the next week or so. We are hoping the pandemic slows, allowing our students to return and be in classrooms once again.

FROM JOHN SCHWEITZER PARMA BOARD OF EDUCATION PRES. The bond issue failed by over 5000 votes with over 50,000 votes cast. At this time, the bond issue will be on the ballot again next year. The schools stay as is for now.
