Dear PSH Class of 1962. Thank you for my \$1000 scholarship. Because of your generosity I was able to afford a laptop for college. **PRESIDENT'S CORNER by Bruce Saban '87**

Well here we are, the year is officially 2022. It seems hard to imagine that yet another year has gone by. Each year seems to come and go with the added speed and fervor that Father time seems to intend. With each passing year we are afforded the opportunity, if only for a moment, to reflect on the past. Hopefully these reflections invoke fond memories and chances to reconnect. However, it also made me think about a few events that occurred while I was at Parma Senior High. For example, I was a Junior eating lunch when a classmate informed us, with more than a hint of disbelief in his voice, that the Space Shuttle Challenger had exploded. I was a teacher when I learned of the horrible events of 9/11. My recollections are not unique, and I am certain all of you have had similar experiences. Whether it was our collective loss of John F. Kennedy, the historic moon landing, or possibly the fall of the Berlin Wall, these events, and many more, represent turning points in our lives. March 13, 2020 is one of those dates for our current Parma Senior High students.

It was nearing the Ides of March when students and teachers were uncereemoniously sent home. The first known case of Coved-19 had breached Ohio's borders. Schools and school districts all over the state would take the unprecedented steps towards remote learning, although most of us were unfamiliar with the term just yet. Little did we know that we would have to become familiar with a whole new vocabulary. Google Classroom, 'zoom meetings', and Discussion Boards just begin to scratch the surface of this new lingo. (cont. pg 3)

**FROM THE EDITOR'S DESK Anthony DeMarco '63**

Welcome to the 29th Edition of the PSH Alumni Tradition. The first edition came in the Fall of 1993. The last two years have been a struggle for everyone in the World. Two years of the Covid Pandemic has transformed the way we live no matter who we are or where we live. One of the most important services your Tradition provides during hese times is the In Memorium Alumni Column.

Since the inception of the "Tradition" we have provided the "In Memoriam Column. We provide this column to let Alumni know of the passing of classmates from all classes. Char Rossi '72, gets some of the online notifications while Darlene DeMarco '63 checks online services and obituaries. Judy Genco get communications from Class Officers and I get mailed letters with newspaper obituaries, and other forms of communications. We are grateful to Class officers who forward names of their deceased classmates. We check to verify all deceased names for spelling and accuracy of the submission. Even with all the checks, mistakes happen and we make corrections as soon as possible. We give our deepest sympathies to all the family, friends and fellow graduates for their loss.

We have a list of almost 47,000 graduates of Parma High School, Parma Schaaf High and Parma Sr. High School going back to 1921 on record in our files. We currently have about 29,000 updated addresses. Cont. on pg3

## IN MEMORIAM

Our Sympathy goes out to all family and friends who have lost a loved one. Every effort is made to verify notifications of a deceased Alumni member. We ask that you provide some form of verification from a newspaper or other source. Send : Webmaster at pshalumni@gmail.com or the PSH Alumni office 6285 W. 54th St. Parma 44129 Attn A DeMarco

**The President Cont from pg 1**

This marked the beginning of the most bizarre education period of our lives. The end of 2020 saw traditional spring events like Senior Prom canceled. However, new traditions like drive by Graduations and birthday parades had begun.

The following school year, as hard as I try to remember, is a blur. I know our administrative decision makers did the best possible job they could in the worst possible situation. They worked tirelessly to develop numerous plans to return to school only to quickly pivot to plans B, C and D. Our students seem to remember the sequence much better than I do. However, if memory serves, we began with a full remote schedule. I felt much more like a professional podcaster, radio host or YouTuber than I did a teacher. At some point we shifted to 'hybrid learning'. This is when half of our students were in class, socially distanced of course, and the other half were undertaking independent study at home. Later in the year I believe we transitioned to a new type of 'hybrid learning' in which half of the students were in school and the other half watched the live-stream version of the class. Extra-curricular activities were not unaffected. Events, if not canceled, usually had very few, to no spectators at all. I know I am likely wrong on the details and sequence of these events, But one thing was consistent, everyone longed for the social connections that we had taken for granted just a few months before. Still, there is a lesson to be learned in every situation. Today I believe even more than I ever have, that the relationships forged at Parma Senior, whether virtual or in person, are as strong today as they have ever been. More importantly, we have learned to appreciate them even more.

**A BRAND NEW COLUMN FOR THE TRADITION**

Your Alumni Assoc. is looking for a special event that you remember from your days at Parma Sr High. It can be something you were a part of or an event the school was a part of . It can also be something that made a positive impression during your High School years and that you have remembered all these years. EXAMPLE In the 1961 football season finale PSH was playing State Champion Massillon High at Cleveland Municipal Stadium . It was considered, for a long time as the 15th best games ever played in Cuyahoga county. Massillon had just appeared in Sports Illustrated as the best High school football team in the nation. We lost by 1 point 21—20 on a missed extra point. (Learned to deal with tough losses in life as long as you did your best) If your story is selected, it will appear in this column. You will win a free years subscription to the Tradition . Must be no more than 250 words. Must be in your own words—not plagiarized. Send stories to PSH ALUMNI 6285 W 54TH ST PARMA OH 44129 ATTN . The painting in this photograph was painted in 1966 by students from Bob Rewalts Art 3 and 4 classes. The painting was a montage of photos from 1961-65 year-books. The mural was damaged in the late 70's. The mural was repaired and is in great condition. It is a mural of what PSH was and is today. Above

At Byers Field , We have not been told if the District will do it again this year, It worked out very well and all 3 high School had them on the same day. The stands were packed with family

This years PSH Alumni Golf outing took place at Ridgewood Golf Course In Parma on the last Friday in June. We had 72 golfers and 24 Hole Sponsors. Once again the committee of Brian Veverka '89 and Darlene Wendel DeMarco '63 (pictured here) did an outstanding job. With a good turnout, a large number of hole sponsors, 50/50 raffle, basket raffle and donations we were able to raise \$4000 for 2022 scholarships.

Thanks to all the volunteers who helped with the registration, refreshment carts, the raffle tables, selling tickets, and helping with set-up and take down.

Homecoming was almost canceled this year because of a electrical storm that had heavy rains and lightning right up to game time. When it stopped at 7:30, the court came out on the field they were introduced, and the King and Queen were announced and crowned. The game started almost immediately after the court and parents left the field. Everything worked out well in spite of the weather. Thanks to the coaches ,the refs, parents, and the students for their making homecoming work out.

concerning the controversial Parma Senior High School "Redman" mascot. According to after meeting with various student groups seeking input, Superintendent Charles Smialek has decided to put the controversy to rest and keep the mascot "for the time being". No doubt the topic will raise its' ugly head from time to time in the future, but for now that indomitable Redman spirit prevails. **ONCE A REDMAN, ALWAYS A REDMAN!**

I would like to purchase 2 yearbooks – 1989 and a 1991. If anyone donates yearbooks in the future, from 1990 and 1992, I would like to purchase those as well. Thank you Alumni.

**Thank you Chris. Your yearbooks are on the way to you.. This is just one of many service your Alumni Association performs for our graduates. There are so many reason why alumni request old yearbooks. There are requests for used yearbooks because of water damage, fires, lost in moving, and so many other reasons. In some cases they are purchased for parents ,who could not afford them when they graduated by their children.**

This past fall, our Redmen sports teams battled both our opponents and COVID. Although numerous games were canceled due to the effects of the pandemic, our Redmen still represented Parma Sr. High well on the fields and courts. Three PSH alumni members returned to their alma mater to lead our fall sports teams. Matthew Burns, class of 2009 in football; Franco Tieri, class of 2000 in Girls Soccer and Carly Rittwage, class of 2015 in Cheerleading. We appreciate them and all of our other PSH grads who have given back to their alma mater. Many of our current Redmen student-athletes represented PSH with glory and pride this past fall season. Earning first team All Great Lakes Conference were: Alejandro Castro and Logan Zioli in football; Sophia Madison in volleyball, Josh Niemojewski and Mallory Bammerlin in Soccer and Juliana Kern and Mariah Naylor in cheerleading. Earning 2nd team All Great Lakes Conference were Tyler Germ, Gavin O'Donnell and Cam Yon in Football; Alyson Saylor in Volleyball; Prabin Dahal and Tatiana DiNardo in Soccer and Kailey Campbell and Alexandria Robinson in cheerleading. Football standout Alejandro Castro was selected as 2nd team All-District and Honorable Mention All-Ohio. Tyler Germ and Logan Zioli received Honorable Mention All-District.

This year, the Great Lakes Conference has added 2 new schools...North Olmsted and Westlake to form a 12 school, 2 division format. The West division includes Bay, Elyria Catholic, Fairview, North Olmsted, Rocky River and Westlake and the East Division is Parma, Valley Forge, Normandy, Holy Name, Buckeye and Lakewood. At the end of each season, there will be a conference match-up game where the teams who finish with the same standing in the other division will play each other. The two first place division teams will play to crown an overall GLC champion or in some sports we will host a tournament to crown a conference champion. This format should make for some exciting games!

As PSH Alumni Members, we ask for your much needed support. If you are able and interested in making a tax deductible donation to help support the Parma Redmen athletic department, please mail a donation to Parma Senior High School Athletic Department, 6285 West 54th Street, Parma, Ohio 44129. We appreciate any help you can provide to our student-athletes.
