I would like to thank the

 needed for my classes. I
 am very proud that I was
 selected for an Alumni

**PRESIDENT'S CORNER by Bruce Saban '87**

It is true that the class of 2022 epitomizes the Parma Senior High Spirit. However, it was a member of the class of 023 that really provided the final exclamation point on their journey. It was shortly after Thursday, Feb. 24th (the day Russia invaded Ukraine) that Anne Ortolano , a Junior at Parma exclaimed in social media ost, "Why does it seem like I have witnessed more history in my lifetime that I have learned?" I know Anne's comments reflected countless other in her generation. But still, the comment resonated with me. The day before we had reflected in my history classes about the Flag Raising on Iwo Jima (this took place on Feb.23, 1945). This date in history represents remembrance, legacy and most of all, reverence. However, Feb 24th represented, trepidation, anxiety and most of all, uncertainty for our collective futures. These feelings that we all shared, must have been greatly amplified in generation Z. It is with in this context that the 2022 Graduation class commences. There will come a point when Feb. 24, 2022 becomes just another date in history. However, all the experiences that our students went 2022 to the ranks of alumni. A class that has witnessed quite a bit of history, but who will be active participants making their own legacy in the coming years and embark on the next step of their journeys. *Cont on page 3*

FROM THE EDITOR'S DESK Anthony DeMarco '62

Welcome to the Spring Edition of the PSH AlumniTradition2022
 As the Editor since the Tradition's inception back in 1993, I have tried to make this newsletter current, factual, and Alumni friendly. At a time when PSH's future is in such flux, I will try to inform you on the status of the building. Will it be torn down completely as has been proposed, and a New Parma High be built on the same site? Will it be used but not for education purposes? Will it remain the Queen of High Schools and be added on to, be repaired , refurbished and brought up to code for state standards? Time will tell. The following is what we have heard up to this point. The Parma Senior High schools future is questionable

"Local TV and Newspaper articles saying The Parma City Schools Board of Education last week approved a new district master plan, which was then submitted to the Ohio Facilities Construction Commission (OFCC). The board selected a 4-2-1 model (four elementary schools, two middle schools and one high school. Superintendent Charles Smialek said, the proposed building, on the current site of Parma High School, would become the largest high school campus in Northeast Ohio. At the following scheduled Parma City Schools Board Meeting, 5 Consolidation Proposals were presented *Cont on pg 3*

(cont. from Pg 1) The PRESIDENT'S CORNER through during their time at Parma Senior High will be more than mere dates. Moreover, they will certainly remember the extraordinary circumstances that surrounded their High School careers. Nonetheless, these circumstances will not define them. No more than the graduating classes of the late 1960's defined them. The 2022 graduating class will be an amalgam of shared experiences, friendships and adventure. I am certain they will remember their time at PSH with great joy and happiness. These feelings, combined with anticipation and exhilaration as the end of the year approaches. It is my pleasure to welcome the class of 2022
