*PARMA HIGH SCHOOL, WE PLACE YOU FAR SUPREME AND OVER ALL. STUDENTS TO YOU DO DECREE HONOR AND FIDELITY.*

*OUR PRIDE IN YOU IS GREAT. YOUR NAME MUST NEVER, NEVER FALL. PARMA HIGH, OUR PROMISE IS LOYALTY ETERNALLY.*

September 2023 the Queen of High Schools will be no more. At the age of 70 she will be reduced to a pile of brick, sandstone and marble. The magnificent Bell Tower, the terrazzo floors, and the beautiful auditorium will be just a memory. I know that all good things must come to an end, and I have resigned myself to her demise. I will have nothing but fond memories while attending from 1958-'62 to the present. So what does this mean for your PSH Alumni Assoc?

As a 501c3 tax exempt non profit we will continue to serve alums. The Class of 2023 will have their class monies in trust with all classes who have money with us. Even if another Parma High School is never built, your PSH Alumni Association will keep your Class monies secure for all your future reunions. Cont pg2

PRESIDENTS CORNER by Bruce Saban '87

I hope everyone had a wonderful summer that allowed for travel, cookouts, and outside music. I know that I have enjoyed all the fun and excitement that accompanies the summer months. Additionally, I was also fortunate to spend quite a bit of time with many graduates of Parma Senior High. I remain quite grateful for the bonds that I have with both recent graduates along with many new relationships I am forging with alumni from generations ago. In July I was able to spend 10 days in Europe with students and in August, it became my pleasure to give some final tours of the Queen of High Schools, as Parma Senior High has been so affectionately referred to.

The trip to Europe was 1 year belated due to Covid. Regardless, it was a trip that was filled with incredible sites and experiences from beginning to end. Our tour took us from Buckingham Palace in London to the Eiffel Tower and the Louvre in Paris. We walked underneath the Brandenburg Gate in Berlin and were also able to gaze upon the incredible street art that lines remnants of the Berlin Wall. But I think it was our walk along Normandy Beach and our visit to the Normandy American Cemetery that now lies on top of the bluffs of what was once referred to as Omaha Beach was our most memorable experience. We were connected to history that was around cont on pg 2

us and felt bonds that seemed to transcend time. The relationships and memories created will certainly last a lifetime.

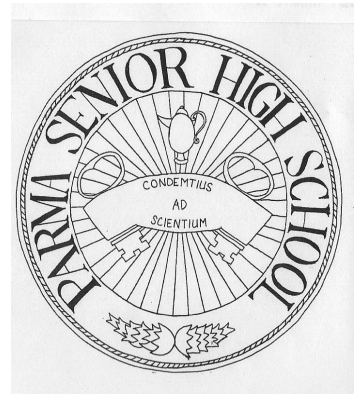

In August I was also fortunate to give tours of Parma Senior High. While the tours of PSH were obviously not given in London, Paris, or Berlin, they still managed to evoke much of the same emotions that we experienced during our trip that took us to those historic locations. The tours of Parma were fun, energetic, and filled with recollections, memories, and stories from yesteryear. By now most of us are aware that this will be the last year for Parma Senior High. However, it is certainly not the last year for the PSH Alumni Association. This group, and the bonds that connect all of us through the decades, are much more than the mere brick and mortar that holds the school together. We are the sum of our collective experiences. During the tours, it was not walking through the cafeteria, the choir room, the gymnasium or the auditorium that evoked memories, instead it was the conversations and discussions that individuals had while sharing thoughts and laughs. Parma Senior High is not the terrazzo flooring, the red and grey lockers, or the drop ceiling that adorns the hallways. Parma Senior High's true spirit is, and always has been the student body (both past and present) who simply called the red brick structure at 6285 West 54th street HOME!

Cont pg 1.1 **FROM THE EDITORS DESK A DEMARCO '62**  
For the next 50 years, because of our Constitution and by-laws, we will keep class monies secure. The Class of 2023 will have their 50th Reunion in 2073. After your 50th reunion, your Class can decide if you want to keep that money in trust for your 55th, or 60th or decide what you want to do with it. Classes that have celebrated their 50th or 55th Reunions have given their remaining monies in the form of scholarships or to officially sanctioned charities. We can only hope that a new Parma High will be built sometime in the future. A new bond issue will be on the ballot very soon.

On another note, the PSH Alumni Assoc. is searching for a storage location for the memorabilia that we have collected over the past 81 years. We have enough to fill a 15' x 20' x 10' high area. Climate controlled is needed. Possibly the back of a business building no longer need storage space for inventory. We have looked at storage places, most are too small or cost is prohibitive. Any help would be appreciated. Send me an email to [dmarco31@sbcglobal.net](mailto:dmarco31@sbcglobal.net). We need to move by spring.

## **From The PSHS Athletic Director Ryan Madison**

The PSH Athletic Department welcomed back the members of the 1971 and 1972 Back-to-Back Lake Erie League Champion Parma Redmen football teams at their home opener vs. Fairview. The night included a pre and post game social and an on the field ceremony during the game. L.E.L. MVP's from the two seasons, Steve Sabo and Don Homyk along with PSH alumnus and former Baltimore Colt Mike Ozdowski were selected as honorary captains for the game. The night was filled with alot of memories, stories and laughter! The alumni members that attended the event definitely proved our motto, "Once a Redmen...Always a Redmen!" The PSH Athletic Department has Parma Redmen Spirit wear for sale in the spirit store. Get yours while you can! Email Athletic Director Ryan Madison at [madisonry@parmacityschools.org](mailto:madisonry@parmacityschools.org) to inquire about scheduling a time to stop into the store. For out of towners who cannot make it into the school to purchase items, we will be having an online spirit store that can ship items later this year. Again, follow our social media sites and our website for information once released.

## Mayor of North Olmsted

Nicole Dailey Jones 1996 PSHS Grad  
On her Parma past

A 1996 graduate of PSHS , Jones was involved in sports and student government and in her Senior year she was elected President of her Senior class. Her interest in politics came about when she worked on the campaign for a local Parma polition.

Nicole graduated from Ohio Wesleyan University in 2002 with a double major in politics/government and international studies. After college Nicole worked in local, county and federal government for more than 20 years. She served on the north Olmsted City Council for 13years. She was a congressional aid for Democratic U.S. Rep Marcy Kaptur before being elected as Mayor.

Today she is the mother of five with her husband, Dan. Nicole often thinks about Parma High School teachers such as Robert Cyr, John Schweitzer, Anthony DeMarco, and Sharon Jones all of whom had such a major impact on her education and future.

**"Parma is still an awesome City"** Jones said. " I am still close to so many of the people I grew up with." Parma Sr. High School had a major impact on my life. "You don't forget your teachers, that's for sure."

*Don't be fooled by people and companies selling PSH year-  
books on line. They are not originals and may cost two to  
three times as much We no longer have 2014 to 22 books*

*Did You Know ? In 1973 a 1969 PSH grad John Ad-  
ams went to the Cleveland Indians Baseball game with  
his Bass drum and sat in the bleachers. For the next  
47 years at every home game he played that drum.*
