Letters to the Editor**From A fellow Grad of PSHS**

I just wanted to let you know that over the past 30 years I have received The Tradition Newsletter I have read it from cover to cover. In my eighties now I can remember so much of what you featured in each of your issues. I also enjoyed what was happening in that year and compared it to the good times I had when I went to both Schaaf and PSHS. The friends I had then and still today. The football games at Byers Field, The Friday night dance in the cafeteria after basketball games at PSHS and then to the Whip with friends on Pearl Rd for burgers. Good memories of PSHS and Parma.

TRADITION

NEWSLETTER

**HAPPY HOLIDAYS TO YOU AND YOURS****FROM THE PRESIDENTS DESK: BRUCE SABAN**

Another Fall season is upon us, which means another school year is currently underway. In my last Newsletter in the spring, we were getting ready to put closure on the 2023-24 School year. I was also preparing to give the commencement address to the Graduating class of Normandy High School. Being the keynote speaker at the Graduating ceremony for Normandy High School was not an experience that I anticipated. However, it proved to be one of most rewarding experiences of my thirty-year academic career.

Half the students in attendance had walked the halls of Parma Senior High and had expected to graduate from PSH. However, when I gazed up at the home stands of Byers Field that was filled with well over 5,000 friends and families of the graduates, I could sense numerous emotions. There was a jubilant and festive atmosphere that seemed void of any mixed feelings. The students also did not have any lasting impact from Parma Senior High's closing. Instead pride, gratification and sense of self-fulfillment permeated the morning. This is not because Parma had been forgotten, but rather the spirit of PSH had been absorbed into the culture of Normandy and a feeling of inclusion and acceptance was quickly adopted during the year. My message that morning to the graduating seniors was of courage and continued growth. Cont. Page 2

FROM THE EDITORS DESK/ ANTHONY DeMARCO "1962

We began another school year without PSHS. Your PSHS Alumni Association continues to look for a new location in Parma for an office and storage space. We want to thank Winar Connection Richfield, OH, (Bill Winar '62) for the storage space that they provided us for the past two years. Without their help, we would be hard pressed for storage of our memorabilia and reunion boxes. As we look for a new temporary home, we try to continue to do the things we have done in the past.

Your PSHS Alumni Association will continue to support efforts in promoting education by continuing to award scholarships. We will continue to support all educational programs, along with community involvement and alumni events as we have in the past. The Alumni Marching Band and Orchestra are one of the programs we have supported so they can continue with their performing events for parades and performances at school facilities as well as locations within Parma, Parma Hts. and Seven Hills. If you are interested in joining this music group contact us with your name and address/ phone number/ email address and we will forward cont.pg 2

From The Presidents Desk cont pg 1 The students had demonstrated perseverance and resilience over the course of the entire school year. I wanted them to hear a message that bridged their school experiences into the next chapters of their lives. I wanted them to hear a message that reminded them that there would be more obstacles to overcome and their continued path to becoming themselves had not ended that day. I discussed my personal heroes and how they all had fought for their beliefs and overcome incredible adversities in their own ways. The morning represented the culmination of their PCSD journey. In many ways it was an unexpected culmination of my own PCSD journey as well. Today, as I reflect on that day and the unexpected twists and turns that led me to deliver the commencement address, I cannot help but wonder how many young PCSD students and teachers just might experience something similar when the new Queen of High Schools is eventually built. Today a vacant lot exists at 6285 West 54th Street. But tomorrow is another day. And it is quite possible that a fourth iteration of Parma Senior High will exist there in a few years. While new students and teachers will occupy the halls and classrooms, it will still be our collective

History that will still emanate from generations past. Con't pg 4

From the Vice Presidents Desk Ryan Madison 2019

My name is Ryan Madison Jr. and I am a proud 2019 graduate of PSHS and I am honored and humbled to introduce myself as the new Vice President of the PSH Alumni Association! I have been involved with our great organization for the past 3 years, and I look forward to continuing to serve and honor the legacy of our beloved alma mater. Although I am just 24 years old, I come from a family tree of PSH grads as far back as the 1950's, and I have been around Parma High from as early as I can remember. My first Parma football game at Byers Field came a mere month after I was born, and some of my earliest memories come from helping my dad around the building as he served as Athletic Director at PSH for many years. When my time finally came to walk the halls as a student, I quickly got involved as a member of the football, wrestling, and track and field teams. I also served as my class President of the Class of 2019 my senior year. Nothing made me prouder than to represent my school and my community on my chest as a Parma Redmen student athlete.

Since I graduated 5 years ago, I have been able to give back to the school that gave so much to me in a variety of ways. In 2020, I joined the football coaching staff and was blessed to coach the final 3 Redmen football teams. Along with coaching, I joined the PSH Alumni Association executive board where I was able to attend meetings, and participate in events to promote our wonderful organization. My biggest accomplishment thus far is the PSH Football Historical project. I compiled a working list of every football game score, along with all conference players, championship teams, and other miscellaneous information that followed the 100 year history of the football team. I also kickstarted a project to convert nearly 70 years worth of football games and wrestling matches into digital formats.

As I move forward in my role as Vice President, I look forward to being involved in the Alumni Hall of Fame committee, as well as documenting as much historical information and preserving as much physical media as I can so the tradition of our beloved school never fades. A goal of mine moving forward is to get younger alumni involved in this great organization to help me carry the torch for many years to come. Once a Redmen, Always a Redmen. Ryan Madison, Jr. Class of 2019

FROM THE EDITORS DESK Cont pg 1 this information to the coordinator of this group. They will contact you ASAP. In other news, look in this issue for information on how to submit a nomination for the Alumni Hall of Fame and what class reunions will be held this year. Classes that end in the last numbers 0 or 5 will be having reunions this year. Class of 2000 will be having their 25th and the class of 1975 will celebrate their 50th! These are very important landmark reunions for those two classes.

We are still looking for suitable office and storage space at a reasonable price preferably in the Parma, Parma Hts., or Seven Hills area. It is our hope that when and if a new PSHS is built, it will have a reasonable space for the Alumni Association and it's memorabilia. Until that day comes, we will continue to carry on the PSHS Alumni Assoc. I want to congratulate Ryan Madison as the new VP of the Association. I will continue on the board for a while longer. There are still things to do!

The PSHAA will continue its' practice of supporting post high school education opportunities by funding 11 scholarships through the annual Parma Council of PTA's scholarship program. Seven of the scholarships are funded via PSH Alumni Association's fund raising efforts and 4 more are funded through the generosity of individual sponsors. Graduating senior from Normandy and Valley Forge High Schools are eligible to apply for any or all of these scholarships if at least one parent or grandparent attended Parma High School. The scholarships are applicable to college, junior college, or post secondary technical education programs.

THE GOLDEN REUNION AUGUST 24TH 2024 This year's Golden Reunion was again held at Schaaf Jr. High now know as Constellation School. There were 90 attendees representing classes from 1951 to the host class, 1974. Everyone enjoyed talking of days gone by, friendships and fun they had at PSH. Much of the conversations were about the destruction of PSH and what the future holds for a new high school in Parma, Farewell T-shirts and PSH sportswear were sold. Because of joining in the fun and generosity of alumni, the Golden reunion will award a \$1000 scholarship in 2025. Look for info in the Spring Tradition for details on the 2025 event.

PSH ALUMNI SCHOLARSHIP GOLF OUTING

We had a beautiful day for golf on September 6, 2024 at Ridgewood Golf Course. Even though the golf course is going through major construction, 85 golfers enjoyed the fun, the food and hopefully their golf game. It is with much anticipation that next year we will have a beautiful new club house to host the event with even more golfers. We had an array of baskets to raffle off. Because of the hole sponsors the attendees and their generosity in the basket raffle, we are able to award 7 \$1000 scholarships in 2025. Although the "Queen of High Schools" is no longer standing, we will continue our efforts in awarding scholarships to Normandy and Valley Forge seniors who have had at least 1 parent or grandparent that graduated from Parma High. Thank you to all golfers, hole sponsors Corporate Sponsors, Ridgewood Golf Course and volunteers who helped make this a successful outing. Look for information on next years golf outing in coming editions of the Tradition and on our Facebook Page.

PSHS ALUMNI HALL OF FAME INDUCTION

In the fall of 2025, the Parma Senior High school Alumni Assoc. is planning an induction ceremony for distinguished alumni. A distinguished Alumni is one who has excelled in community service, career, or made an impact on society. We have been inducting alumni into the Hall of Fame since 1981. The inductees' photos and bios have always been displayed in a showcase at PSH. The inductees were introduced to the student body at a morning school assembly with a light breakfast and then in the evening there was a dinner where their family and friends were invited to attend. The ceremonies usually took place at least every 3 years. Because of Covid and the situation with Parma High, our inductions have been on hold. The Board of Governors are in the process of revising the format and will proceed with inductions in November of 2025. If you have someone you would like to nominate for this honor, please address your request for an application to Dawn Reed at dawnyreed@aol.com. Please pass this information on to your friends. All applications will be due back to us by April 30, 2025. More information on the Hall of Fame will be addressed in the Winter Tradition and on our Facebook Page. Self nominees not permitted.
