## TRADITION

## NEWSLETTER

**WINTER 2025**

FROM THE PRESIDENTS DESK: BRUCE SABAN

As I sit here on this frigid January morning preparing to write my article for the newsletter, I find myself in a particularly reflective mood. I have spent over 30 years coaching and teaching at Parma Senior High, however, because of changes to STRS (Retirement for teachers) I find myself a couple of dozen months away from possibly moving on from the profession I love. Moreover, I just accepted a position coaching football down the street at Independence High School. Coaching outside the district and retirement are two things that I never envisioned, but it is this type of change that tends to spark reflection.

Accepting a position at Independence was not random happenstance. The new Head Coach for the Blue Devils is a Parma Senior High graduate named Matt Burns. I had the honor of Coaching Matt when he was a standout Center for the Redmen football team not all that long ago. Accepting this position is what sparked my reflective mood. The saying "All roads lead back to Parma" is more than a simple colloquialism. It truly is a reality. With over 50,000 graduates, Parma Seniors' footprint is literally everywhere. Influential alums are in every municipality. They are nurses and doctors, researchers and scientists, realtors and investors, and indeed they are teachers and coaches. And while it might be socially acceptable to have a little fun at Parma's expense, I would challenge anyone to find a Parma Graduate who doesn't glow when discussing their time walking the halls of the Queen of High Schools and credit their education at PSH with giving them the foundation to become more.

From the Editor

A long time ago I started a way to help the Alumni Assoc. raise money for some of our projects that was easy and wouldn't be too much for recent alumni. I asked former PSH Grads to send a \$1 dollar donation for each year that they had graduated from PSHS. It was fairly successful and the donations were used for various projects that the Alumni Assoc. was working on at the time. Eventually the numbers faded until we had only a few donors who faithfully sent in their donation.

FROM THE EDITORS DESK: ANTHONY DeMARCO "1962

This has been an interesting period of time since PSHS closed its doors and eventually was torn down. We still have most of our Alumni storage out at the Winar Connections facility. At first we thought we would get a room in one of the empty elementary buildings but that was not to be and it was only through the generosity of the Winar Family that we had to store most all of the Alumni memorabilia in a semi truck and a small room in the facility.

So now we are faced with attempting to secure a more permanent location within the Parma School district in a unused classroom or trying to get a small commercial location in the Parma, Parma Hts., or Seven Hills area to rent or buy. A rental would be very expensive and to purchase a location would be even more.

From The Presidents Desk Cont from pg 1

While my story about Matt is anecdotal, I also believe it is emblematic of Parma Graduates everywhere. Matt embodies the Parma Senior High spirit. I should give you a little more context. A few years ago, Matt accepted his dream job when he became the Head Football Coach at Parma Senior High. Of course, Matt did not realize Parma would be closing 2 short years later. Before the last season, Matt had the opportunity to leave. Instead of leaving, Matt chose to lead the young Redmen during their final season. While this was no easy task, Matt demonstrated true leadership and guided the Redmen with integrity, grit and fortitude. The program was rewarded as they won their final game, defeating Fairview in their swan season. Now like so many of you, Matt will be taking that Parma mentality to Independence. All roads to lead back to Parma.

From the Vice Presidents Desk Ryan Madison 2019 Over 22 million people watched the 2024 College Football National Championship game that saw the Ohio State Buckeyes defeat the Notre Dame Fighting Irish. This now marks 9 National Championships for the Buckeyes. The first of those 9 titles is the first instance of a string of ties to the Parma Redmen Football program. Not only do the Buckeyes and the Redmen share a color scheme and an alma mater tune, but 5 Parma football players went on to play football at Ohio State. 3 out of those 5 players played at Ohio State together in the same season-1944.

The first Redmen to don the Scarlet and Grey in Columbus was Les Horvath. Horvath attended Parma Schaaf High School from 1936 through 1938, before transferring to Rhodes his senior year. Horvath joined the Buckeye football team in 1940, and didn't see much playing time his first two years until 1942 when he was a rotational back on the Buckeye offense. The 1942 Buckeyes led by the legendary Coach Paul Brown, captured the first National Championship in Buckeye history, solidifying Les' legacy in Buckeye history.

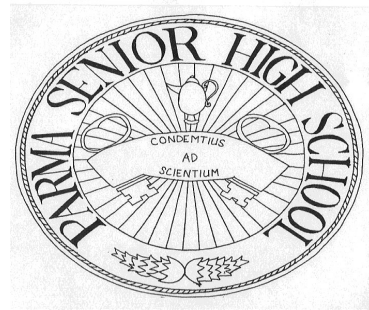

But this was far from the end of Les' Buckeye legacy. In the midst of World War II, Coach Paul Brown and many members of the Buckeyes team left Ohio State to serve their country. This left interim Head Coach Carroll Widdoes in a big predicament. Coach Widdoes reached out to Horvath, who at this point was a graduate student in the OSU Dental Program, asking if he would rejoin the team for his final year of eligibility on the condition that Les could miss practices to focus on his studies. Les agreed, and rejoined the team.

The 1944 Buckeye squad that Les Horvath agreed to rejoin featured not just one, but two Parma Schaaf players. The first being Schaaf standout John "Mutt" Motejzik (Class of 1944). Mutt was an integral part of the 1943 undefeated Redmen football team, and left Parma Schaaf as the All-Time Leading Scorer in basketball. The other Redmen was Parma legend Bob Brugge (Class of 1944), who was also a key contributor on the 1943 undefeated Redmen team, and future Head Coach during the golden years of Parma Football.

The 1944 Season was very successful for the Buckeyes as they finished 9-0 and 2nd in the National Rankings behind Army. Les Horvath cemented his place on the Buckeyes Mount Rushmore by winning the first ever Heisman trophy for Ohio State. Bob Brugge also started on offense and had a great career with Ohio State earning an All Big 10 conference selection. This would be the only season John Motejzik played for Ohio State. A highlight of the season included the Illinois game, which was held at the local Cleveland Municipal Stadium. Not only did Horvath rush for 2 touchdowns, but fullback Bob Brugge threw his very first collegiate pass for a 49 yard touchdown. In attendance for the game was legendary Parma Football Coach Ken Weber who was pictured with the three former Redmen in a Plain Dealer article about the story of the "Parma Buckeyes".

The 1944 Ohio State Buckeyes will be remembered as a Big 10 Champion to most and a Heisman season for Les Horvath, but in the City of Parma, it will always be one of the most memorable seasons.

For one loyal Alumni from the class of 1963 and living in Columbus Ohio, it has become a mission. Each year Dave sends \$2 for each year that he has been a graduate of PSH – 61 years. The reason he has done this each year (first at \$1 a year and now at the \$2 level,) is this. “1. I met my future wife at PSH and that was the most important thing., 2. I got a great education that allowed me to go to very good collage, 3. I was able to get a great job and have felt blessed for the many things that I have received and I think that PSHS in no small way made those things possible. So to give back to the place that got all of this started, is my way of paying it back.”

## PSHS ALUMNI HALL OF FAME INDUCTION

In the fall of 2025, the Parma Senior High school Alumni Assoc. is planning an induction ceremony for distinguished alumni. A distinguished Alumni is one who has excelled in community service, career, or made an impact on society. We have been inducting alumni into the Hall of Fame since 1981. The inductees' photos and bios have always been displayed in a showcase at PSH. The inductees were introduced to the student body at a morning school assembly with a light breakfast and then in the evening there was a dinner where their family and friends were invited to attend. The ceremonies usually took place at least every 3 years. Because of Covid and the situation with Parma High, our inductions have been on hold. The Board of Governors are in the process of revising the format and will proceed with inductions in November of 2025. If you have someone you would like to nominate for this honor, please address your request for an application to Dawn Reed at [dawnyreed@aol.com](mailto:dawnyreed@aol.com). Please pass this information on to your friends. All applications will be due back to us by April 30, 2025.

Well, 6285 West 54<sup>th</sup> Street is now a vacant lot with an uncertain future. Parma Senior High School no longer exists in terms of physical structure. The PSHS Alumni Association does continue to exist and we will venture forth in our mission of communicating with alumni, coordinating reunions and maintaining historical memorabilia. It is our fervent hope that at some point in the future Parma High School will be resurrected in all its' glory. In the meantime, we will keep you informed and keep the Redman spirit alive via publication of the Tradition. Over the years, the focus of this publication has been to keep our alumni apprised of current happenings at our Alma Mater and to celebrate achievements of our staff and students. Inasmuch as there is no student body to recognize and no events to cover, material for publication is dramatically diminished.

As a result of this current situation, we are calling on you, our audience, to generate items of interest for our readers. Each of us have memories of our experiences at Parma Senior High School. We invite you to share those memories with us and your fellow alumni. In future issues of the Tradition we would like to feature articles such as "My Favorite Teacher", "A Cherished Memory of PSHS", "Whatever Happened To ....?", "An experience at PSHS that impacted my future", or "Can anyone help me locate ...?". In other words, we are welcoming our readers to become our writers. Please feel free to suggest other topics for featured articles. Assist us in making the Tradition your newsletter in every sense of the term. (Please no more than 400 word per article. Include your name and or address is optional at your discretion. The PSHS Alumni Assoc. retains the right of editorial changes if necessary)
